If you are selected the winner of this award, you may be asked to provide proof of acceptance to an accredited school before the award is presented to you.

Briefly list your career plans, achievements, volunteer activities, and any other information you would like us to consider when reviewing your application.

Choose one of the following options:

OPTION 1

Write an essay that discusses all of the following questions. Essay must be at least 350 words long, preferably typewritten and double-spaced.

- a. How did you become interested in the career or subject major you plan to pursue?
- b. What do you want to accomplish most in life, and how will further education help you achieve it?
- c. Why should the Finance Committee select you for this award, and how will you use the money if you are chosen?

OPTION 2

For those of you who have an aversion to writing, you may submit a portfolio of your schoolwork or other accomplishments. The portfolio can be in any format you like (scrapbook, art show, video, computer slide show) etc. Use your imagination and have some fun, but keep in mind you are trying to tell the Finance Committee something about yourself and why we should select you. Merely showing off your creative skills is not sufficient. Your submission should address the questions posed in Option 1. You may want to include a brief written explanation of how your submission applies to these questions.

All application materials must be submitted by **March 1, 2022**, to
